

# INFORMATION BROCHURE

FY 2022-23

The National Cooperative Dairy Federation of India Limited (NCDFI), established in 1970, is an apex body of dairy cooperatives. Its members include federal dairy cooperatives of states / union territories and the National Dairy Development Board (NDDB) as its Institutional Member.

The primary objective of NCDFI is to facilitate the working of dairy cooperatives through coordination, networking and advocacy.

Major activities of NCDFI are: coordination of milk and milk product supplies to defence services; providing online marketplace for dairy and agri industry; and working for genetic improvement of cattle.

Total business transacted by NCDFI during the financial year 2022-23 was ₹ 4,942 crores.

The adoption of technology and its application to ensure better returns to dairy cooperatives and in turn to milk producers has been the primary focus of the NCDFI. One such initiative is NCDFI eMarket which was launched on June 10, 2015.

The commodities being traded on the NCDFI eMarket platform are Dairy Products, Cattle Feed Ingredients, Edible Oils, Fodder Seeds, poly-film and other Packaging Materials, Sugar, Chemicals, Molasses, Scrap, etc., apart from various service contracts, such as the hiring of labour, transport, godown hiring, canteen services, etc. The platform ensures transparent, fair, economic and fast dealings for all the members.

AR Cover Design is a reverence for Indian women as the epitome of strength, mirroring the divine goddess Durga.

It pays homage to their role across all walks of life; whether nurturing India's future generation, fortifying its economic foundation, or excelling in its highest positions. Embracing the essence of womanhood, the design also embraces inclusiveness. This is evident from women adorned in diverse community attires.

By celebrating their indomitable spirit and accentuating their values, we honour the resilience of every Indian woman.
